

CERTIFICATED EMPLOYEE CONTINUING CONTRACTS

Contracts entered into with certificated employees, other than an administrator, will continue from year to year unless the contract states otherwise, is modified by mutual agreement between the board and the employee, or the contract is terminated by the board.

The first three years of a continuing contract issued to a newly employed certificated employee shall be considered a probationary period. In the event of termination of the employee's contract during this period, the board shall afford the certificated employee appropriate due process. The action of the board will be final.

Certificated employees whose contracts will be recommended for termination, amendment or nonrenewal by the board will receive notice prior to April 15. The superintendent shall make a recommendation to the board for the termination of the certificated employee's contract. Unless statutory exceptions apply, final board action must be taken by May 15.

Certificated employees who wish to resign, to be released from a contract, or to retire must comply with board policies in those areas.
